STOP Being a SLAVE to Your Business!

The brutal reality of most business owners lives is they are a slave to the business, there is very little family time, the business consumes your mind 24/7, there's major stress, no real freedom and you feel like you have a "job" rather than owning a business!

But the good news is that you CAN have the business that you really want and Howard Partridge and Dave DeBlander are COMING TO A CITY NEAR YOU with a new one day "coaching experience" that reveals...

- How to Dramatically Increase Your **CASH FLOW** Now!
- How to Finally Get Your Business **ORGANIZED**
- How to Finally Reach Your **GOALS** in Life

For over a decade (12 years actually), **Howard Partridge** has helped cleaning and restoration professionals improve their businesses. Some have doubled or tripled their businesses, others have built turn-key systems and others have gotten off the truck and are spending more time with their families. He has become a top consultant in our industry and we are proud to have him as a prized *ICS* columnist. **Dave DeBlander** is a shining example of Howard's results and is now also a frequent contributor to *ICS*.

NOTICE: This is NOT a seminar where you get a bunch of information thrown at you. Instead, Howard and Dave will guide you through a full day "coaching experience" that reveals a crystal clear, proven path to take you from where you are now to where you want to be...

They will even show you the exact systems they both used (and many of Howard's members have used) to create massive success in their own companies.
