

CCINW & CFI "CLEANING COLLEGE"

June 27-29 * Reno, Nevada * Grand Sierra Hotel & Resort

Do you miss the OLD SCHOOL Events for Cleaners?

Remember back in "the day" when we had world class training and practical wisdom from industry events to apply in our companies RIGHT AWAY to do better work and make more profits?

Remember when we used to bring OUR FAMILIES to give them a great vacation while we bettered our skills?

Remember the great friendships we made getting together with other cleaners and their families?

We Remember.

In fact, we are bringing those OLD SCHOOL TIMES back!
