

## Examples of the CCINW Advocate Program Supporting and Professional Levels

*NOTE: All of the above was borrowed to use as examples. No real supporter firms here.*

### **SUPPORTING LEVEL**

Supporting Advocate is listed and direct linked on the CCINW web site that may include a logo, small banner ad or description of goods and services.

### **Aerobed**

AeroBed® Extreme inflatable packing blankets are made from environmentally friendly Thermoplastic Polyurethane (TPU) which is 100% PVC free. TPU is 100% recyclable and breaks down naturally in the environment, even the packaging is fully recyclable. AeroBed® is working in partnership with the CCINW by making a donation to provide funding for future CCINW events. They will donate \$25 for every dozen AeroBed® Extreme products purchased in the Northwest until the end of 2010.

---

### **Bird Holidays**

#### **Taking friendly business tourism further**

Bird Holidays is a Kelowna based specialist holiday company that can combine any business related travel with opportunities for in-person networking and personal enrichment. Bird Holidays has offered their services at no charge to CCINW members attending the Connections Convention to demonstrate how they can add value to your business travel.

---

### **Cleaning Service Group**

Cleaning Service Group (CSG), is Oregon's largest privately owned maker of portable cleaning machines and tools for the professional textile cleaning industry. Its customers include Government departments, large building management firms, and sole proprietors.

CSG has provided funds to support CCINW activities.
