## CCINW News and Updates

December 3, 2009

### CCINW on Facebook

For those of you who are not familiar with Facebook, this is a social networking site that can be used for interactive communication between peers and a place to post information to our clients and potential clients. Currently, if you already have an account with Facebook or join up, you can search for CCINW and you will find a Group. Request to join this group and if you are a member you will be accepted. Then you will have the ability to post questions, ask questions and be up to date on all CCINW events and news. Give it a try, you have nothing to lose! Soon there will also be a Fan Page for customers to find your business and get tips and hints on maintenance.

### Added Benefit from RIA Affiliation

As a result of our joining forces with RIA you can now set up a monthly payment to cover your membership dues. This is an excellent benefit that will help members to make membership fees a part of their monthly budget.

Call Jane to find out more.

### Membership Renewal Time

It's hard to believe it but the year 2009 is coming to an end and we will all soon be trying to remember to write 2010 on our checks!

As business owners there are numerous things that need to be done to close off one year and start another. You can get membership renewal out of the way easily and quickly.

Be sure to give Jane a call or send her an email to set up your membership renewal for 2010. You can pay with check, or credit card.

CCINW is working hard to bring you a strong community of like minded professionals to connect with and learn from. We encourage you to participate in the various events, join discussion groups and give us feedback. Our association is only as strong as each of it's members, so let's keep building each other up for the benefit of us all.

For more information on Membership Renewal call us at 1-877-MY-CCINW or contact us at [info@ccinw.org](mailto:info@ccinw.org)
